

# SARPY COUNTY REPUBLICAN PARTY

P.O. Box 460843

Papillion, NE 68046

sarpycountygop@msn.com

Currently, Republicans are fortunate to have a controlling majority in all elective offices in the county. We also claim a healthy majority of Republicans representing the county in the State Legislature. While we are enjoying this success, we must turn our attention to the opportunities in our future.

The 2008 election cycle presents significant challenges for the Sarpy County Republican Party. There are many offices up for re-election including some held by Democrats. The Sarpy County Republicans must lay the ground work to re-elect Republicans and to elect Republicans to the open seats. As you may know, the Democrats are targeting positions currently held by the GOP, with the idea of creating a liberal majority.

The Booster Club is established as an annual membership program for individuals and businesses who wish to support the party. Your financial support is a key component of party financial stability and can lead the way to victory for Republican Candidates. Your membership in the Sarpy County Republican Booster Club is critical to continued Republican successes in the county. Thank you for your support.

Sincerely,

*Mary Offerjost*  
Mary Offerjost  
Finance Chair, Sarpy County GOP
